About Rushmore International School

The Rushmore International School came into existence in the year 2019, an institution dedicated to provide quality education. It focuses on all round development of a child. Mental, Physical, Moral, Emotional, Spiritual, Social, Aesthetic & even vocational development of a child. Located in pristine surrounding, away from the noise & pollution of the city, it is an institution where you sow a child & reap a leader.

Director's Message

*My long cherished dream of established **Rushmore International School** is finally fulfilled. I had an earnest desire to build up an institution where an education blended in all colour of human values could be given today I feel proud to say my dream of a quality education is taking shape through **Rushmore International School**. I always wanted to inspire people's life through education. I have always believed that an investment in knowledge pays the best interest.*

*Our school tries to provide best of knowledge which will further meets the demand of the society, provide economic benefit and meet the nations demand as a whole. What an individual takes from the society does not hold much importance but what it returns to the society is of paramount importance. At **Rushmore International School**, we realise that sending your child to us is an act of faith. I assure you that **Team Rushmore** will leave no stone unturned and to uphold your trust towards over all development of your child.*

*My message to the Principal, Staff, Students and esteemed Parents is to dedicate their hard work to have correct understanding of what education really means to the society. In the words at **A. Einstine**- "Imagination is more important than knowledge. For Knowledge is limited to all we now know and understand, while imagination embraces the entire world and all their ever will be to know and understand."*

Director : Mr. Radhey Shyam Tiwari (Baba Ji)

Director's Message

Principal's Message

Rightly said by **Nelson Mandela**: "Education is the most powerful weapon which we can use to change the world." Education is a harmonious blend of academics, arts, sports, emotions, attitudes, imparting knowledge and developing the inherent skills of the students.

Our school tries to provide best of knowledge which enlightens a child's mind. We focus on creative knowledge, personality growth, skill based activity, sound knowledge, refined, behaviour, determination, good visionary, good listener and ready to accept new ideas. We have the best of faculty, infrastructure and technical skill, but more than that, we have the best of intentions.

Our dedicated staff take a very real interest in all children and are committed to each child's future success by committed to each child's future success by providing challenging programmes that promote individual growth and achievement, leadership and co-operation with others. At **Rushmore International School**, there is active partnership between school, home and community. We believe each child receives the care, attention and opportunities which will help them learn, broaden their experience and develop the self confidence they need to grow into successful young adults in the 21st century.

A Rushmore child eventually becomes an asset for the society and the nation.
